

DUVALL HOMES

Presented by

Welcome to Duvall Homes' 2018 Inspiration Gala - an evening of celebration as Duvall Homes recognizes you and the importance of your involvement and investment in empowering people in our community living with developmental disabilities. Your attendance here tonight impacts the lives of so many who need your help. You inspire us with your generosity and compassion, and we are deeply grateful.

Be a Part of the Duvall Difference

Many of you have celebrated with us at our previous Galas, but for others, tonight will be your first time experiencing the energy, love and excitement. As we celebrate by recognizing members of our community who have made a commitment to support us with their time, talents and treasures, we ask that you join us in thanking them.

We depend on your feedback and word of mouth to assist us in sustaining our legacy. Take a selfie in front of a banner or with the incredible BeatleBeat and share it with your friends and colleagues! Include #TheDuvallDifference and #ImInspiredDeLand so we can share our story with a larger audience.

On behalf of all those served by Duvall Homes, thank you for joining us. We hope you have a wonderful evening! ♦

Duvall Homes is proud to present
**The 2018 Alanson and Thelma Duvall Memorial Award for
Outstanding Community Service**

to

Robert Walsh

Project Manager, Growth & Resource Management, County of Volusia

At this year's Inspiration Gala, we recognize a true friend of Duvall Homes.

Robert Walsh has served on the Duvall Homes' Board of Regents since 2011. Since then, he has fully embraced the vision and mission of the organization, not only through his words, but also through his actions. Rob has made it his own mission to understand the individuals that we support and challenges they face each day. Not only does he care for the people we serve, he strives to make himself a better resource, advocate and educator on their behalf.

A longtime Volusia resident and employee of the County of Volusia, Rob has cemented friendships that serve him personally, professionally and as a resource to Duvall Homes. His commitment and hard work have insured the success of Duvall Homes. With a true volunteer's heart, Rob has given his all.

It is with gratitude that we honor Rob Walsh with the 2018 Alanson and Thelma Duvall Memorial Award for Outstanding Community Service. ♦

2018 Inspiration Award

Each year, Duvall Homes recognizes an individual, or group of individuals, who have demonstrated exceptional and often unique support for our mission. Their creative efforts speak directly to the true spirit of charitable giving. This year, we are pleased to thank three groups who have shown us overwhelming support and generosity, and we are proud to thank them with Duvall's 2018 Inspiration Award. ♦

Since 1945

Empowering People with Developmental Disabilities

Duvall Homes has been a landmark fixture in Volusia County for decades. Through its history, it has helped countless numbers of people with developmental disabilities find a voice...a sense of self... a home.

Despite the challenges of Autism, Cerebral Palsy, Down syndrome and other disabilities, friendships blossom at Duvall Homes, self-care and daily-living skills are mastered, and residents work within their own capacity to meet their own personal goals every day.

As people with disabilities are becoming recognized for who they are – unique and valued for their individuality with special contributions to make to society – Duvall Homes is at the forefront. We are committed to maintaining an organization characterized by acceptance and welcome for all, where each individual is seen as exceptional, entitled to personal growth and development and self-determination.

The accomplishments of Duvall Homes are reflected in the strength of our programs, in the commitment of our dedicated donors and staff...but most importantly, in the personal success stories of each of our residents. ♦

WEST VOLUSIA'S “A” Rated Hospitals

Florida Hospital DeLand and Florida Hospital Fish Memorial have been nationally recognized by *The Leapfrog Group* as elite hospitals of patient safety and quality care. Your local hospitals achieved an “A” — the highest score available. We want to thank our teams for working hard every day to provide benchmark care and implement best practices for our patients.

Note: The grades used in the Leapfrog Hospital Safety Score™ program are derived from expert analysis of publicly available data using national evidence-based measures of patient safety. The Leapfrog Hospital Safety Score program grades hospitals on their overall performance in keeping patients safe from preventable harm and medical errors. For more information, visit www.hospital.safetyscore.org
